Working on getting all mooring stickers out by 6/7/09, I have sent out ¾ already so there on their way. Please note that mooring stickers are singles with no sticker for the boat this year. Setting up mooring waiting list hope to be complete by the end of June. Wrote marine 1 operating procedure, Harbor Patrol Standard Operating Procedure, Started the web site, wrote Patrol Officer qualifications, emergency call list, and Patrol Officer training requirements.

Lastly I have answered 37 Phone calls since 5/12/09. Thanks for all the support and kind words I have received already.

Sincerely submitted

David E. Vannier, Harbormaster

See you out there!
